NOTICE TO ALL Mondelez International AMEA Pte Ltd

MILK SUPPLIERS AND SHAREFARMERS

“2021/2022 SEASON MILK PRICES – STEP UP”

Mondelēz International is pleased to announce a Step Up of AUD 0.30 per Kilogram of Milk Solids (KgMS). This changes the average farm gate price as follows:

For Exclusive Contract Supply Farmers

The price of season 2021-22 for exclusive contract supply farmers is based on a weighted average base price of AUD 5.75 per KGMS plus the exclusive supply premium of AUD 0.8 per KGMS, the Cadbury Premium of AUD 0.10 per KGMS, volume incentives in accordance with your agreement and the step up of AUD 0.30 per KGMS. The weighted average total price will be **AUD \$7.08 per KgMS** (Base price + exclusive supply premium+ Cadbury premium + average volume incentive+Step up).

For Non-Exclusive Contract Supply Farmers

The opening price of season 2021-22 for non-exclusive contract supply farmers is based on a weighted average base price of AUD 5.75 per KGMS plus the Cadbury Premium of AUD 0.10 per KGMS, volume incentives in accordance with your agreement and the step up of AUD 0.30 per KGMS. The weighted average total price will be **AUD \$6.28 per KgMS** (Base price + Cadbury premium + average volume incentive + Step up).

The adjustment will take effect from the start of the season in July 2021.

If you have any questions regarding pricing or supply please contact Mohit Sharma on 0402 655 945, or me on the details below. For anything plant-related, you can contact Andrew Bacon on 03 6431 2588.
