NOTICE TO ALL Mondelez International AMEA Pte Ltd

MILK SUPPLIERS AND SHAREFARMERS

2021-22 SEASON PRICE

Mondelēz International is pleased to confirm the opening price for the 2021-22 season in Tasmania, Australia.

For Exclusive Contract Supply Farmers

The opening price of season 2021-22 for exclusive contract supply farmers is based on a weighted average base price of AUD 5.75 per KGMS plus the exclusive supply premium of AUD 0.8 per KGMS, the Cadbury Premium of AUD 0.10 per KGMS and volume incentives in accordance with your agreement. The total weighted average total price will be **AUD \$6.78 per KgMS** (Base price + exclusive supply premium+ Cadbury premium + average volume incentive).

For Non-Exclusive Contract Supply Farmers

The opening price of season 2021-22 for non-exclusive contract supply farmers is based on a weighted average base price of AUD 5.75 per KGMS plus the Cadbury Premium of AUD 0.10 per KGMS and volume incentives in accordance with your agreement. The total weighted average total price will be **AUD \$5.98 per KgMS** (Base price + Cadbury premium + average volume incentive).

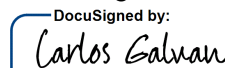

We believe this is in line with local market conditions, and more importantly, supports the partnership we look to drive with our farmers.
